

## Fayette Humane Society Cat/Kitten Pre-Adopt Questionnaire

Fayette Humane Society is pleased that you are interested in adopting a pet. Because we want to provide loving permanent homes, we need to make absolutely sure that we match the right homes with the right pets. The information you provide will assist us in making the right choice. **Owning a pet is a long-term commitment.** All kittens and cats are already spayed or neutered, or arrangements are made for the surgery. Pets have age-appropriate tests and vaccinations. Additional booster shots will be required for kittens. **There is a \$90 adoption fee for all kittens and cats.**
